Oh the waiting, oh the waiting  
What you can see  
I was mistaken  
You held a light in front of me  
We're all the same here  
Bound by a promise that'll never be  
I found my way here  
I never asked for you to follow me

There was a time i wanted you so much  
But now this love it has become a crush  
I'm shaking, i'm shaking, yeah  
You held my hand but you held too tight  
And i don't know but it's feeling like  
I'm waiting, i'm waiting

You made it hard for  
You made it hard for me to say  
What i was feeling  
Then when you tried i shut away  
In the beginning  
We had everything we could steal  
I said i didn't  
Know this was something i could feel

There was a time i wanted you so much  
But now this love it has become a crush  
I'm shaking, i'm shaking, yeah  
You held my hand but you held too tight  
And i don't know but it's feeling like  
I'm waiting, i'm waiting

Na na na na na na na  
Na na na na na na na  
Na na na na na na na  
Na na na na  
I'm waiting, i'm waiting

Na na na na na na na  
Na na na na na na na  
Na na na na na na na

Na na na na  
I'm waiting, i'm waiting  
I'm waiting, i'm waiting

Oh the waiting, oh the waiting  
What you can see  
I was mistaken  
You held a light in front of me  
We're all the same here  
Bound by a promise that'll never be  
I found my way here  
I never asked for you to follow me

There was a time i wanted you so much  
But now this love it has become a crush  
I'm shaking, i'm shaking, yeah  
You held my hand but you held too tight  
And i don't know but it's feeling like  
I'm waiting, i'm waiting

Oh the waiting, oh the waiting  
Oh the waiting, oh the waiting  
Oh the waiting, ohhh
