Whoa..ah ah ah..
I feel that your heart is in mine
And i haven't wasted all my time
Cause in your eyes, sees all i can't see
And that doesn't make the end of me.
Oh what you say, oh what you say I'll do
Coming through oh what you say i'll do.
I'll walk with you, I feel just the same
As i felt with you, the old days
Yeah we never lost, cause we learnt to grow with
change
And that's the key to staying the same.
Oh what you say, oh what you say i'll do
You coming through, oh what you say i'll do
Yeah you're coming through, you're coming through
Oh what you say i'll, what you say i'll, what you say..oh
What you say i'll do.
What you say i'll, what you say i'll
What you say i'll, what you say i'll
What you say i'll, what you say i'll
Oh what you say i'll do.
What you say i'll do, yeah i'll do
Yeah i'll do, Oh what you say i'll do.
Yeah, yeah..
Oh what you say i'll do. Oh what you say i'll do.
Yeah i'll do. I'll do. What you, what you,
What you say i'll, you say i'll do.
What you say i'll do.
Oom bada oom bada oom bada.. oh what you say i'll
do.. oom bada..
