"Fresh Air"

No we don't know, no we don't know
What went wrong
I took it, I turned it into song
No we don't know, no we don't know
What we're here for
But darling, that's not the point anymore
Been watching, observing everyone
And I don't know, I don't know what they're running
from
We won't get, no we won't get, anywhere
If we don't get, up and get out of here

Oh coming on strong
Oh coming along

Brace for the fresh air, come back to life if you dare
Brace for the fresh air, come back to life if you dare

And this game is just the same,
It's just like yours,
And I'm planning on playing it outdoors.
If you're feeling like I'm feeling- so alone
Get up now, get the hell out of that hole.
You can break it or you can make it..
Set it free,
Let's go outside tonight
Come with me

Oh coming on strong
Oh coming along

Brace for the fresh air, come back to life if you dare
Brace for the fresh air, come back to life if you dare

Oh coming on strong
Oh, coming along
Can't you feel it it's coming on strong yeah
and all the world is coming along

Brace for the fresh air.

Come back to life if you dare.
Brace for the fresh air.
Come back to life if you dare.
Brace for the fresh air.
Come back to life if you dare.
If you dare
Brace for the fresh air.
Come back to come back to come back to life
