Not what you take but what you leave.  
I never thought you could see  
It's more than fantasy  
You are only bad dreams!

Your dead mind, your dead mind  
Your dead mind, your dead mind

How could this be so real?  
I thought it would bleed and heal  
You never let go of me  
There's no way to be free

Your dead mind, your dead mind

Your dead mind, your dead mind

She says she wanted to be left alone..  
She says she wanted to be left alone..

How much is enough?  
Would you just turn to dust?  
I wanted you to believe  
This is how it could be!!

Your dead mind, your dead mind  
Your dead mind, your dead mind
