Stumbling along  
but you dont know where you been  
cos your eyes  
always on your feet  
if u ever looked up  
you'd see the sun  
in the morning  
wonder why things are so bleak

Boring and old  
are the things your told  
about the outside world  
just wearing black wont take care of that  
dont be stupid girl

Walking  
always talking  
never listening  
you just kick back  
how do you handle  
all the bullshit  
that gets thrown your way

boring and old are the things youre told  
about the outside world  
just wearing black  
wont take care of that  
dont be stupid girl  
oh  
down on your knees  
trying to appease  
but is makeup statement  
cos in not much time  
your beliefs and your lies will be left by the pavement  
i've been doing some thinking  
about all that preaching and i dont wanna know  
cos thats just so unfortunate  
thats just so pathetic  
i just cant see

boring and old are the things your told  
about the outside world

just wearing black wont take care of that dont be stupid  
girl  
dont be stupid  
down on your knees trying to appease  
but is makeup statement  
cos in not much time  
your beleifes and your lies  
will be left by the pavement  
they'll be left in the way  
left by the pavement  
ow oh oh  
oh  
dont be so stupid girl  
you really are  
just dressed in black wont take care of that  
dont be  
be so stupid girl
