(Daniel Johns and Ben G. - SILVERCHAIR)

Performed by Killing Heidi on Triple J (radio) before adding the song to their setlist.

It's twelve o'clock and it's a wonderful day
I know you hate me but I'll ask anyway
Won't you come with me to a place in a little town
The only way to get there is to go straight down
There's no bathroom and there is no sink
The water out of the tap is very hard to drink
Very hard to drink, very hard to drink, yeah

You gonna wait til, fat boy
Fat boy, wait til tomorrow, woah woah
You gonna wait til, fat boy
Fat boy, wait til tomorrow, woah

You say that money isn't everything
Yeah, but I'd like to see you live without it
You think you can keep on going living like a king, yeah
Ooh baby I strongly doubt it

Hard to drink
Very hard to drink
Very hard to drink

You gonna wait til, fat boy
Fat boy, wait til tomorrow, woah woah
You gonna wait til, fat boy
Fat boy, wait til tomorrow, woah

Fat boy, fat boy, gonna
Wait till, wait til
Wait till, wait till, fat boy
Fat boy, gonna wait till, wait till tomorrow

..So wont u come with me to a place in a little town
