

Killing Joke "Chapter Iii"

Attack behind attack
A war behind a war
Wise thoughts to broad horizons
A nation, the very least

Such simplicity
Advance to find myself
He, he didn't see such simplicity

Hope is for the loser
Certainty to be
Pleasure of the winner
Certainty to be
Take now or stay the same

Attack behind attack
A war behind a war
Wise thoughts to broad horizons
A nation, the very least

Such simplicity,
Advance to find myself
He, he didn't see such simplicity

Take now or stay the same
Take now or stay the same
