

Killing Joke "Dark Forces"

You'll need holy water
And a little bit of knowledge
Invocation to your holy guardian angel
The great evil around

God gave man dominion
Over fowls of the air and fish of the sea
Justification of desecration
Who wrote this madness?

Get up, wake up
Someone's taking you for a ride
Get up, wake up
Dark forces

They're printing up money
That doesn't exist
Then watch the wealthy
As they cash their chips

Economy's failed, start a war machine
Devoid of moral cause
As we witness the end
Of international laws

Get up, wake up
Someone's taking you for a ride
Get up, wake up
Dark forces

I'm a inside man of the serpent clan
33 degrees, I'll do as I please
Power for power's sake
A personal treasure trove
And two weeks off in Bohemian Grove
You wanna come?

All the banking houses that buy and sell
They'd sell their own mother
Just eat shit die
Like everyone else

Get up, wake up
Someone's taking you for a ride
Get up, wake up
Dark forces

Get up, wake up
Someone's taking you for a ride
Get up, wake up
Dark forces
