Understanding the meaning of struggle  
Giving your whole life to a single passion  
Which others may or may not  
Consider obsolete

Like a rare flower  
Seen by a few before it withers and dies  
(before it withers and dies)  
Seeing it all  
All the way through the very end  
Regardless

A full stop followed by an exclamation mark  
Written in your flesh and blood  
Getting knocked down every time  
Getting knocked down every moment  
you get up - until you love getting up

I know what you've been going through  
I've been there too  
God knows I've been pushing hard Pushing so damn  
hard -  
I've forgotten what the hell I'm even -  
Pushing for  
Recognize it when it happens to you  
Learn to recognize it and know what to do  
Stop clinging on, let go, own nothing  
Do it out of love  
Do it out of love

Words cannot substitute  
Losing everything  
Losing your home  
Losing your money  
Your dignity  
Losing your mind - your beliefs, ideals  
Then and only then  
When everything is gone  
You no longer care  
Your soul standing naked and bare  
Stripped down to the truth  
Then you'll find everything

On heaven and earth  
On heaven and earth  
On heaven and earth

The struggle is long  
The struggle is hard  
The struggle is beautiful
