Land of, better change your tune now  
Milk and, oh so negative  
Honey and we're so content now  
Land of, land of milk and honey

And you never even know when it's standing right  
before you  
'Cause always watching the detective film about  
How it's not on 93rd Street  
Always misses golden opportunities

Land of, better change your tune now  
Milk and, oh so negative  
Honey and we're so content now  
Land of, land of milk and honey

One up three to go, all the hidden motives  
Like daytime airplay, hah, cocktail Saturday  
And the silver disc upon the wall  
Means success, so they tell me

Land of, better change your tune now  
Milk and, oh so negative  
Honey and we're so content now  
Land of, land of milk and honey

Change the tune now, sales go dwindle  
Change the subject, next new single  
Change the tune now, sales go dwindle  
Change the subject, next new single

Land of milk and honey  
Land of milk and honey  
Land of milk and honey
