This is the way, reprogrammed
This is the way, unload
This is the way, play my drum
This is the stick, download

This is the day, take orders
This is the life, don't comply
This is the end of nation's borders
These are the fears I'm trying to hide

Oh
I'm a loose cannon, I'm a loose cannon
I'm a loose cannon, I'm a loose cannon
I'm a loose cannon, I'm a loose cannon
I'm a loose cannon, I'm a loose cannon
Bang

This is the day the sky turned green
This is the day i saw in my dream
These are the fears i'm trying to hide
These are the Tears trapped inside

I'm an urban animal
Still a primitive man
I'm an urban animal
One step from a cannibal

Oh
I'm a loose cannon, I'm a loose cannon
I'm a loose cannon, I'm a loose cannon
I'm a loose cannon, I'm a loose cannon
I'm a loose cannon, I'm a loose cannon
Bang
(Bang, bang)

Some conspiracy theorists say
Great danger awaits those who get too close
To the truth about the secret rulers of the world

Oh
(Repeats a bunch)
I'm an urban animal

One step from a cannibal
I'm an urban animal
One step from a cannibal

Oh
I'm a loose cannon, I'm a loose cannon
I'm a loose cannon, I'm a loose cannon
I'm a loose cannon, I'm a loose cannon
I'm a loose cannon, I'm a loose cannon
Bang
(Bang, bang)
