Nothing, is real,
Or is illusion,
Escape, from flesh,
Transcend the earthly.
With fire, and chants,
Purification.
Between, the worlds,
In this state of bliss.

Rapture

Revitalize, to be ecstatic,
Re-energize,
Recharge batteries.
Liberations, or incantations.
Liberate with, convulsions.

Rapture

Free me, from all, materialism,
Let in, free breath, and out

With totality, into the abyss.
