"Sun Goes Down"

We watch them going nowhere, kicking the football

No purpose...??the point boys?? in oblivion

Or play games so child-like...they want to win

Look out my windowsill watch bloodshed

We watch the sun go down

We watch the sun go down...down...

??To panic...they play so??...stay sleeping

Sleeping dogs always lie...stay sleeping

Look out my windowsill watch wastelands

Look out my windowsill watch bloodshed

We watch the sun go down

We watch the sun go down...down...

We watch them going nowhere, kicking the football

No purpose...??the point boys?? in oblivion

Or play games so child-like...they want to win

Look out my windowsill...a man went mad

We watch the sun go down

We watch the sun go down

We watch the sun go down

We watch the sun go down...down...
