Artist: Killing Joke
Album title: Killing Joke
Song title: Wardance
The atmospheres range
out on the town
music for pleasure
its not music no more
music to dance to
music to move
this is music to march to
to dance
the war dance
the war dance
the war dance
the war dance
look at the victim
sprawled on the wall
you know the the reason
outside the door
you got something
nasty in your mind
wanting to get out
to dance
the war dance
the war dance
the war dance
the war dance
we (walk on the pinch?)
honesty is sick
sure to be honest
look what you did today
the food runs short
another man he talks
one way out
will (?????) issue his command
the war dance
the war dance
the war dance
the war dance
oh
the war dance

oh
the war dance
oh
the war dance
oh
the war dance
