Here...Go
Go!
Move
Ahh please

Any way from A to B
Savage ways for you and me
And I can see your hang-up now
Wilful days have stubbed you out

Touch that body...start to touch
And all meant to just forget
Guilty feelings all gone now
Wilful days come anyhow

Come on...Go

Wilful Days
Yeah yeah...Wilful Days
Yeah yeah...Wilful Days
Yeah yeah...Wilful...Days...

Let's go
Go go go go...

Wilful Days
Yeah yeah...Wilful...Days...

Anyway from A to B
Savage ways for you and me
I see your hang-up start to see
Wilful days for you and me

Touch that body...start to sweat
And all meant to just forget
And all meant to touch her now
Wilful days come anyhow...ha ha ha

Here comes that savage day
We're gonna make it anyway
Wilful days are hard to find
Wilful days make up your mind

Touch that body...start to sweat
Guilty feelings all forget
Any way from A to B
Wilful, wilful, wilful me

Wilful Days
Yeah yeah...Wilful Days
Yeah yeah...Wilful Days
Yeah yeah...Wilful...Days...
