Sea of hurt, I feel the waves of pain
And now the tides come in again
Caught in a vicious cycle of despair
Give me the courage to face another day, oh

Oh, sing a song of joy
Sweet childhood, never desert me
Time for celebration, oh
Overcome with sense of elation

I'll never let you get to me
Survival is my victory
Time for celebration, oh
Overcome with a sense of elation

I sat in silence, I was mourning
I said sorry a thousand times
I cried aloud to God for all my failings
But God seemed deaf as well as blind, oh

Oh, sing a song of joy
Sweet childhood, never desert me
Time for celebration, oh
Overcome with sense of elation

I'll never let you get to me
Survival is my victory
Time for celebration, oh
Overcome with sense of elation

We drank and smoked and talked until the dawn
We shared our problems and our food
Telling tales of courage and resolution
Through all the hardships we've endured, oh

Oh, sing a song of joy
Sweet childhood, never desert me
Time for celebration, oh
Overcome with sense of elation

I'll never let you get to me
Survival is my victory

Time for celebration, oh
Overcome with sense of elation
