I hope you know  
But I always try  
To be a good man untill my last breathe  
I can pretend  
The feeling for you  
You make me feel like I'm free again

Let me kiss you  
Let me hold you

Every step you take  
Every word you say  
And every game you play  
I'll be watching you

'Cause my love for you forever

I rip my heart out  
Want this love from you  
'Cause you are the one untill my last breathe  
I can pretend the feeling for you  
You make me feel like I'm free again

Let me kiss you  
Let me hold you

Every step you take  
Every word you say  
And every game you play  
I'll be watching you

'Cause my love for you forever, forever, forever,  
forever

Every step you take,  
Every word you say  
And every game you play  
I'll be watching you

Every step you take,  
Every word you say  
And every game you play

I'll be watching you

Forever...
