Imprisoned inside this mind
Hiding behind the empty smiles
So simple
(Relinquish)
As it mocks me
Crawlin back into the dark

Running, always running
Into the distance
Stop me
Before I bleed again

The echoes of my voice
Follow me down
The shadows I cast
Follow me down

Deeper I'm fallin'
Into the arms of sorrow
Blindly descending
Into the arms of sorrow

There must be serenity

The echoes of my voice
Follow me down
The shadows I cast
Follow me down

Deeper I'm fallin'
Into the arms of sorrow
Blindly descending
Into the arms of sorrow

The demons of my own design
This horror must not remain

Deeper I'm fallin'
Into the arms of sorrow
Blindly descending
Into the arms of sorrow

There must be serenity
There must be deliverance
Deeper I'm fallin'
Blindly descending
Deeper I'm fallin'
