"Holy Diver"

Yeah! (yeah)

Holy Diver

You've been down too long in the midnight sea
Oh what's becoming of me

Ride the tiger

You can see his stripes but you know he's clean
Oh don't you see what I mean

Gotta get away

Holy Diver (yeah)

(That!)

Shiny diamonds

Like the eyes of a cat in the black and blue
Something is coming for you

Race for the morning

You can hide in the sun 'till you see the light
Oh we will pray it's all right

Gotta get away-get away

Between the velvet lies

There's a truth that's hard as steel
The vision never dies
Life's a never ending wheel

Holy Diver

You're the star of the masquerade
No need to look so afraid

Jump on the tiger

You can feel his heart but you know he's mean
Some light can never be seen (yeah)

Holy Diver

You've been down too long in the midnight sea
Oh what's becoming of me (no, yeah)

Ride the tiger
You can see his stripes but you know he's clean
Oh don't you see what I mean

Gotta get away-get away
Gotta get away-get away (yeah)
Holy Diver
Soul survivor
Your a queen
Stuck in the middle coming down to you
Now holy diver (holy diver)
