It's all been the same, yet different
For far too long the illusion falters
This il-lu-sion falters
Suffering (suffering)
Despite the struggle
Remaining helpless
My heart can no longer (my heart can no longer)
No longer be frozen (no longer)

Take my words (as truth)
I will never
Never leave you

It must be now, we must revolt
Invoke the strength, turn the tide, start right now
Yea

Take my words (as truth)
I will never
Never leave you

The winds of change will cleanse away
What still remains
Let our doubts and indecision pass away

Take my words (as truth)
I will never
Never leave you

My
Life
For
Yours

Free me (my)
Again (life)
My life (for)
For yours (yours)
