Yeah;

Come on;

Do you remember,
What we used to have?
As if all our dreams were possible;
All that is destined,
Was you and I;
But distance,
Has torn us apart;
Forgive me,
For all that I've done wrong,
Lead me back to where my heart belongs;

Can we start again,
Go back in time to where we started;
Can we start again,
What we have can't be discarded;

Do you remember,
The promises we made?
But somehow we have lost our way,
Take me back,
To where our heart belongs;
Forever grateful everyday;

I know,
That you doubt my words;
I swear,
There will never be regrets;

Can we start again,
We thought love was everlasting;
Can we start again,
What we had just can't be wasted;

Silence that were broken,
And words,
That can't be taken back;
But you mean so much more to me,

Than anything,
Anything I've ever known;

And this is the hope for tomorrow;
That today you will return;

Can we start again,
Go back in time to where we started;
Can we start again,
What we had can't be discarded;

Can we start again,
Do you remember?
Can we start again,
Can we start again,
Go back in time to where we started
