Imprisoned inside this mind  
Hiding behind the empty smiles  
So simple  
(Relinquish)  
As it mocks me  
Crawlin back into the dark

Running, always running  
Into the distance  
Stop me  
Before I bleed again

The echoes of my voice  
Follow me down  
The shadows I cast  
Follow me down

Deeper I'm fallin'  
Into the arms of sorrow  
Blindly descending  
Into the arms of sorrow

There must be serenity

The echoes of my voice  
Follow me down  
The shadows I cast  
Follow me down

Deeper I'm fallin'  
Into the arms of sorrow  
Blindly descending  
Into the arms of sorrow

The demons of my own design  
This horror must not remain

Deeper I'm fallin'  
Into the arms of sorrow  
Blindly descending  
Into the arms of sorrow

There must be serenity  
There must be deliverance  
Deeper I'm fallin'  
Blindly descending  
Deeper I'm fallin'
