The finest points of me
Are only shades of you
To put aside
The ties that bind
Is the goal of man

I give my word
To stand the test of time
No more wasted days
The past must bury

The line is drawn
I pledge my devotion
There is no turning back
This heart is yours
I sacrifice for you
(For you)
(For you)

This is immortal

The finest points of me
Are only shades of you
(Yea)

With each passing day
This heart is endless
No more wasted time
We are immortal

The line is drawn
I pledge my devotion
There is no turning back
This heart is yours
I sacrifice for you
(For you)
(For you)

This is the everlasting
This is immortal

Your words

Are my inspiration
Your life
An image of perfection
For all you are
For all you've done
I strive to be
In your reflection

The line is drawn
I pledge my devotion
There is no turning back
This heart is yours
I sacrifice for you
(For you)
(For you)

This is the everlasting
This is immortal
