Holy Diver

You've been down too long in the midnight sea
Oh, what's becoming of me ?

Ride the tiger

You can see his stripes but you know he's clean
Oh, don't you see what I mean ?

Gotta get away

Holy Diver

Yeah !

Shiny diamonds

Like the eyes of a cat in the black and blue
Something is coming for you - LOOK OUT !

Race for the morning

You can hide in the 'til you see the light
Oh, we will pray it's alright

Gotta get away- get away

Between the velvet lies

There's a truth that's hard as steel

The vision never dies

Life's a never-ending wheel - YEAH !

Holy diver

You're the star of the masquerade

No need to look so afraid

Jump, jump of the tiger

You can feel his heat but you know he's mean

Some light can never be seen - YEAH !

Holy Diver

You've been down too long in the midnight sea

Oh, what's becoming of me ? - oh yeah!

Ride the tiger

You can see his stripes but you know he's clean

Oh, don't you see what I mean ?

Gotta get away ! Get away !
Gotta get away ! Get away ! YEAH!

Holy diver, sole survivor
Your heart is clean
Yeah Holy Diver !
Yeah Holy Diver !
Yeah Holy Diver !
Yeah Holy Diver !

You're caught in the middle coming after you, holy
diver

Oh, Holy Diver
Get away
Get away
Get away
Come on !
