Separation from the faceless majority
Step on the outside
Look on the inside

Tear
Tear it apart
A prisoner only in your mind

Individuality will bring you life
It's time to rise above to freedom

So much love
So much love lost
What have we
What have we become
Rise against the oppression
Resist and question

Separation from the faceless majority
Step on the outside
Look on the inside

Tear
Tear it apart
A prisoner only in your mind

Individuality will bring you life
It's time to rise above to freedom

So much love
So much love lost
What have we
What have we become
Rise against the oppression
Resist and question

Burn the system
Kill the system
Burn the system
Kill the system

Kill the mind state of indifference

Step into the unblind
Reclaim your life

Burn the system
Kill the system
Burn, kill, burn
Kill, reclaim your life
