Humanity cover me
with the ashes of remembrance
I will learn from this pain

There is no darkness without light
To teach us of ourselves

Humanity cover me
With the ashes of remembrance
I will learn from this pain

Life to lifeless
To eternity
Life to lifeless
And the cycle repeats

Death unfolds itself painfully
To unmask how fragile we are
Death unfolds itself painfully
Teacher of sanity

The pain drags me down
I'll rebuild me
The pain drags me down
I'll rebuild me

Humanity cover me
with the ashes of remembrance
I will learn from this pain

Life to lifeless
To eternity
Life to lifeless
The cycle repeats

Life to lifeless
To eternity
Life to lifeless
The cycle repeats

Life to lifeless
To eternity

Life to lifeless
The cycle repeats
