Ahhhhh

1,2,3,4

Run the race  
That will lead to nowhere fast  
Trapped in the haze  
Of this spineless false reality

Wandering a path  
Bleeding out what falls  
Death take hold  
Depression where chaos rules

There is more to life than this  
We are more than just this flesh  
We are alive and our time has come  
For a new awakening

Come death, come suffering  
I will not live in fear  
In this bleeding life  
Where time escapes us

The path of least resistance  
Is a slow, quiet death  
I'd rather burn up  
Than fade away

There is more to life than this (than this)  
We are more than just this flesh (this flesh)  
We are alive and our time has come  
For a new awakening

I would rather die  
Than live my life in fear

All are scared  
No regrets  
And a new awakening

I ... will ... not ... live ... in ... fear  
Live life with no regrets  
I ... will ... not ... live ... in ... fear  
I will not live ... in ... fear

[Solo]

There is more to life than this  
(there is more to life than this)  
We are more than just this flesh  
(more than just this flesh)  
We are alive and our time has come  
For a new awakening

I would rather burn up  
Than fade away
