You are no God to me  
You are nothing to me  
This is the reckoning

Enjoy this while it lasts  
It won't be long before it dies

You've stolen lies, and broken dreams  
No man can be your deity

You are no God to me  
This is a reckoning  
You are nothing to me  
This is the reckoning  
Not enough  
Nothing, not enough  
No man can be your deity

You are no God to me  
This is a reckoning  
You are nothing to me  
This is the reckoning

And I will be there  
To see you fall  
You are no God to me  
There is the reckoning

The betrayed, will now see the truth  
And the broken-hearted, will finally hear  
You will be judged  
You will be found wanting  
And we'll be there to see you fall

You are no God to me  
This is the reckoning  
You are nothing to me  
This is the reckoning  
And I will be there  
To see you fall  
You are no God to me  
There is the reckoning
