Abandon the safety of my last (following)?
Abandon what hold us (to go through)? suffering

? behold the path that leads before you
Let us forsake, forsake all the things
That leads us
Leads us to our demise

Open your eyes
See the divide
Open your eyes
And see the

Destruction
Of innocence
Watch it breathe it's last

Open your eyes (behold, the path before you)
See the divide (forsake a dead mind)
Open your eyes (behold, the path before you)
And see the

(OH!)

Abandon the safety of my last (following)?

To the grave
We take this oath
To leave this world behind
Hear the words of the voice
That lives inside

Break...
From...
This is your time
Break...
This is your time
Break from

To the grave (to the grave)
We take this oath (take this oath)
To the grave (to the grave)

Take this oath
