Trading life for life
It all must fall
It must end with us
It must end with me
(Aaa)
Insinuations
(Aaa)
Of what might be
Fight through deprivation
There will be no sleep

Heed my cry

Because of greed and hatred
To dust we return
(Aaa)
They will trade
For strength in our numbers
Only then
Will the self righteous learn
(Eaaa)

Insinuations
Of what might be

To the masses
We mean nothing
But it starts
In the hearts of the few
Witness
The birth of the people
Unite, renew

There is no forever, just today
(Just today)
Don't let your, your sacrifice waste away
Waste away
(Waste away)

Through change and purity
Turn the shadows to light
Buried beneath the ashes

Is a passion for life

There is no forever, just today

(Just today)

Don't let your, your sacrifice waste away

Waste away

(Waste away)

Let there be no more ruthless bloodshed

(Aaa)

Let there be no more ruthless bloodshed

(Aaa)

Let there be no more ruthless bloodshed

(Aaa)

Heed my cry

There is no forever, just today

(Just today)

Don't let your, your sacrifice waste away

Waste away

(Waste away)

Waste away

(Waste away)
