As you walk
The path of least resistance
Is it that simple
As you claim it to be?

Cut out
Your tongue, your eyes, your lies
They do deceive you
Your tongue, your eyes, your lies
They do deceive you

I stand firm in my solidarity
The path I walk
(The path I walk)
I walk in with my own resolve

When darkness falls
(When darkness falls)
We are reborn
Our dream since the fall of man
We are reborn

My beliefs
Are not antiquated
We are the hope
Silence them all, with not just words

Let resolution be our voice

I stand firm in my solidarity
The path I walk
(The path I walk)
I walk in with my own resolve

When darkness falls
(When darkness falls)
We are reborn
Our dream since the fall of man
We are reborn

We are the remnant
We the remnant will silence them all

We are the faithful
We the faithful will silence them all
Silence them all

When darkness falls
We are reborn
Our dream since the fall of man
We are reborn

When darkness falls
(When darkness falls)
We are reborn
Our dream since the fall of man
We are reborn
