There are no more barriers to cross.
All I have in common with the uncontrollable and the
insane,
The vicious and the evil,
All the mayhem I have caused and my utter
indifference toward it...
I have now surpassed.
My pain is constant and sharp and I do not hope for a
better world for anyone.
In fact,
I want my pain to be inflicted on others.
I want no one to escape.

I once adorned wings and knew of such innocense
I then tasted of her, wings were torn from flesh
I had been betrayed by my own tounge
I have been betrayed by my own heart
I HAVE BECOME A MARTYR FOR LOVE
