~~~VERSE 1~~~

I met this girl in Atlanta, let me play in her mizzouth  
She make my dick so hizzard, it never goes Sizzoft  
From the side to the side, the bitch gon' get it all  
From the top of my dizzick, to the bottom of my bizzall  
I fell her fingernail as she grab it and beat it  
She ready to eat it whenever i skied it  
She did it in the dark but in the light she won't do it  
She be unzippin my pants she be gettin straight to it  
No, it was not a dream even though thats what it  
seemed  
I kick, I scrat, I skit, I scream  
The shit was feelin freaky, she was feelin fine  
I didn't feel her teethies, I only felt her tongue  
Relax, I'm gettin massaged by the massouse  
She wouldn't let me gizzo, she wouldn't let me loose  
I don't know her she was somebody else  
But I was happy that's what I said to myself  
But this shit was nothin new, she do it anyway  
She didn't wanna talk she ain't got nothin to say but

\*\*\*CHORUS\*\*\*

oh ah ah ow ah ah ou love in ya, love in ya mouth (2x)  
we makin love sho nuff we makin love all in ya mouth  
(2x)

~~~CHORUS~~~

~~~VERSE 2~~~

I take 3 little bitches and I put 'em in a line  
I take 4, 5, 6 and blow 'dem hos mine  
It'll take 1 more before I go for mine  
7 bitches get fucked at the same time  
She eats me, sun she, she can suck a ding dong  
All day all night all evenin long  
She said she neva done it, she said she neva tried  
Shes sittin there tellin a mother fuckin lie  
Now, how many licks does it take to make my dick split  
Well, not many licks if the bitch is a good trick  
Now, any niggaz can talk to a bitch and get the bitch to  
fuck

But how many niggaz can talk to a bitch and get they  
dick sucked  
Like me a pimp that you neva saw  
Now how do you say "manage trois"  
When my shit gets soft  
She make my shit get long  
I don't see nothin, I don't see nothin, I don't see nothin  
wrong

~~~CHORUS~~~

~~~VERSE 3~~~
