Verse 1

I meet this girl in Atlanta
Let me play in tha mizzouth,
She make my dick so hizzard,
It never goes sizzoft
From tha side to tha side
That bitch gon get it all
From tha top of my dizzick
To tha bottom of my bizzall.
I feel her fingernail as she grab it and beat it,
She ready to eat it whenever I skeet it.
She did it in tha dark but in tha light she won't do it
She be unzippin my pants she be getin straight to
No, it was not a dream, even though that's what it
seemed,
I kick, I scrat, I scr., I scr, I scream
Shit was feelin freaky, shit was feelin fun
I didn't feel her teefies, I only felt her tounge
Relax, I'm gettin massaged by tha masseuse
She wouldn't let me gizzo, she wouldn't let me loose
I don't know her she was somebody else
But I was happy that's why I said to my self
No this shit was never new, she do it anyway
She didn't wanna talk she aint got nothin to say but,

****Chorus****

Oh ah ah ou ow ah ah ou love ya, love in ya mouth
Oh ah ah ou ow ah ah ou love ya, love in ya mouth
We makin love sho nuff we makin love all in ya mouth
We makin love sho nuff we makin love all in ya mouth
Well can I put it in yo mouth, yes ya can
Well can I put it in yo mouth, yes ya can
Well can I put it in yo mouth, yes ya can
Well can I put it in yo mouth, yes ya can

Verse 2

I'm makin love off in your jaw cavity
Haven't we seen each other before?
Slow back and give me your dough baby,
Head to 'em dead and roll lady
But lately I've been thinkin and dreamin about you and
your suction

Daddy fat sack's gon be payin them pros
And takin them hoes to London.
But I be fuckin and duckin and dodgin
Never the one to be callin 'em
I'm followin 'em around like lap dogs
Just lay in the 'lac and slap jaws
'79 Ceville still, we came in the road, to been here thrill
This thang real, like oatmeal, and sit real
But I was supposed to meet my guh here
Both of them live happily, that's in our family
she mad at me,
Cuz Sally suck my penis and my anatomy

****Chorus****

Oh ah ah ou ow ah ah ou love ya, love in ya mouth

Oh ah ah ou ow ah ah ou love ya, love in ya mouth
We makin love sho nuff we makin love all in ya mouth
We makin love sho nuff we makin love all in ya mouth
Well can I put it in yo mouth, yes ya can
Well can I put it in yo mouth, yes ya can
Well can I put it in yo mouth, yes ya can
Well can I put it in yo mouth, yes ya can

Verse 3

I take 3 bitches and I put 'em in a line
I take 4, 5 ,6 and blow 'dem hos mind.
It'll take 1 more before I go for mine
7 bitches get fucked at tha same time
She eats me, son she, she can suck a ding dong
All day, all night, all evenin long
She said she neva done it, she said she neva tried
Shes sittin there tellin a mother fuckin lie
Now, how many licks does it take to make my dick split
Well, not many licks if tha bitch is a good trick
Now, any nigga can talk to a bitch and get tha bitch to
fuck
But how many niggaz can talk to a bitch and get they
dick sucked
Like me a pimp that you nevea saw,
Now how do u say "mange trois"
When my shit gets soft
She make my shit get long
I don't see nothin, I don't see nothin, I don't see nothin
wrong

****Chorus****

Oh ah ah ou ow ah ah ou love ya, love in ya mouth
Oh ah ah ou ow ah ah ou love ya, love in ya mouth
We makin love sho nuff we makin love all in ya mouth
We makin love sho nuff we makin love all in ya mouth

Well can I put it in yo mouth, yes ya can
Well can I put it in yo mouth, yes ya can
Well can I put it in yo mouth, yes ya can
