i met a gyrl named stacy at a party

whisperin in my ear beggin me to hold her  
the she was rubbin was surprisin  
in the middle of my pants sumthin started risin  
i got her alone jus the two of us  
go up in her yeah i must  
she said to get me on i gotta special spot  
i rubbed her there and the gyrl got hot  
out of her clothes in less then a minute  
when she lay on tha bed then i went up in it  
as i rolled up i heard her sing ooh i love yo ding a ling

chorus;  
like my ding a ling (repeat 4x)
