When it hurts so bad
You got to let go
You can't let him know
That he's really gotten to ya

And it hurts so bad
When you're all alone
Those ol' memories
Keep goin' through ya

And you wanna act nonchalant
But you can't
'Cause he keeps on haunting you

And when it hurts so bad
You gotta try and pretend
He's just a casual friend
Who never meant a thing to ya

Well, you can fool your friends
And you can laugh a lot
It's all a coverup
Of what he really means to ya

And you wanna act nonchalant
But you can't
'Cause he keeps on haunting you
Yes, and it hurts so bad

How can it hurt this bad
When it was never planned
But you stole my heart
And here I am

I'm possessed by you
I'm obsessed with you
What I'm tryin' to say
Is I love you

Now how can I act nonchalant
When all I want is to
Spend the night with you

When it hurts so bad
You got to let go
You can't let him know
That he's really gotten to ya

And it hurts so bad
When you're all alone
Those ol' memories
Keep goin' through ya

And it hurts so bad
Oh, and it hurts so bad
Oh, and it hurts so bad
It can hurt so bad
I know it hurts so bad
Yes, it hurts so bad

Oh, and it hurts so bad
Yes, it hurts so bad
