Kim Carnes)
Don't call him up anymore
Cause I don't wanna hear your voice
I don't wanna see you face
Answer his door
Make no mistake he's mine
He only knows how I feel
I only know what he's like
When he needs me
Oh how he needs me
Deep in the night
Make no mistake he's mine
Don't get to close when you dance
Cause I don't wanna hear from my friends
You were out on the town
There in his arms there in his arms
Don't include him in your dreams
Cause I don't wanna close my eyes
I don't wanna know where he goes
Each night when he leaves
Make no mistake he's mine
He's mine he's mine
