Churning and burning it's a love attack
Don't run for cover it will turn you around in your tracks
Pull you right back

And once it starts it's like a thunder ride
Cover to cover it's the kind of a book I could write
Best seller twice

Don't want to show the look in your eyes
Getting too close for comfort

There ain't nothing better than love
Put out the fire and it still ain't enough
Fever to fever till it fits like a glove
'Cause there ain't nothing better than love

Head over heels it's not the heart that you lack
The force is over and you know you had to react
Don't have to look back

Don't want to show the look in your eyes
Getting too close for comfort

There ain't nothing better than love
Put out the fire and it still ain't enough
Fever to fever till it fits like a glove
'Cause there ain't nothing better than love

Never will be and there never was
Nothing, oh, nothing
Nothing better for me, no nothing
Never, never will be, no nothing

Don't want to show the look in your eyes
Getting too close for comfort

There ain't nothing better than love
Put out the fire and it still ain't enough
Fever to fever till it fits like a glove
'Cause there ain't nothing better than love

There ain't nothing better than love

Put out the fire and it still ain't enough
Fever to fever till it fits like a glove
'Cause there ain't nothing

There ain't nothing better than love
Fever to fever till it fits like a glove
'Cause there ain't nothing
There ain't nothing better than love
