Stay away leave me alone  
Say away from my door  
'Cuz you'll hurt me again  
Like you hurt me before

Don't want no excuses  
I don't want no more lies  
I don't like crying  
So I keep it inside

Do me a favor  
For God's sake please  
Stay away

Stay away out of my dreams  
Stay away from my nights  
You're there in the darkness  
So I leave on the nights

Well, I don't want no whiskey  
'Cuz is heightens the pain  
Make me call you at midnight  
And beg you come back again

Do me a favor  
For God's sake please  
Stay away

'Cuz time is to short  
To waste it on regrets  
They say it heals a broken heart  
That's waiting to forget

Stay away leave me alone  
Say away from my door  
'Cuz you'll hurt me again  
Like you hurt me before

But if you should need me  
Well, it might be alright  
I suppose you could call me up  
Some lonely night

But do me a favor  
For God's sake please  
Stay away
