If I told you tonight that I loved you would you walk my way?
Would you say lies that I wanted to hear?
If I told you tonight that I need you would you break my heart?
Would you start wearing me down again?

I feel so lonely when I'm with you
But I'm so lonely when you're gone
I can't live with you I can't live without you
But I still hold on

If I told you tonight I was leaving
Would you call my name take the blame?
Turn it all around again 'cause you know I love you
And it's worth a heartache, I curse the heartbreak we make
But I still hold on

I feel so lonely when I'm with you
But I'm so lonely when you're gone
I can't live with you I can't live without you
But I still hold on, oh I still hold on

I feel so lonely when I'm with you
But I'm so lonely when you're gone
I can't live with you I can't live without you
But I still hold on, I still hold on
Oh I still hold on, I still hold on
