There's a light
Certain kind of light
Never shone on me

And I want my love to be
Livin' with you
Livin' with you

Now there's a way
Everybody say
To do each and every little thing now

But what good does it bring now?
If I ain't got you
If I ain't got you

Baby, you don't know what it's like
Baby, you don't know what it's like

To love somebody
To love somebody
The way I love you

The way I love you baby
The way I love you baby
The way I love you baby

Now in my brain
I see your face again
And I know my frame of mind

Oh, you ain't got to be so blind
And I'm blind
So blind

Don't you know I'm a woman?
Can't you see what I am?
I live and breathe for you

But what good does it do now?
If I ain't got you
If I ain't got you

Baby, you don't know what it's like
Baby, you, you don't know what it's like

To love somebody
To love somebody
The way I love you baby
[Incomprehensible]

Now in my brain
I see your face again
And I know my frame of mind

Oh, you ain't got to be so blind
And I'm blind
So blind

Don't you know I'm a woman?
Can't you see what I am?
I live and breathe for you

But what good does it do now?
If I ain't got you
If I ain't got you

Baby, you don't know what it's like
Baby, you, you don't know what it's like

To love somebody
To love somebody
The way I love you
(You don't know)

Baby
(You don't know)
The way I love you baby
(You don't know)
The way I love you baby
(You don't know)
