Under my thumb  
Is the guy who once had me down  
Under my thumb  
Is the man who once pushed me around  
It's down to me  
Yes it is  
The way he does just what he's told  
Down to me, the change has come  
He's under my thumb

Under my thumb  
The squirming dog who's just had his day  
Under my thumb  
Is the guy has just changed his ways  
It's down to me, yes it is  
The way he speaks when he's spoken to  
Down to me, the change has come  
He's under mu thumb

Under my thumb  
Is the man who once pushed me around  
It's down to me  
Yes it is  
The way he does just what he's told  
Down to me, the change has come  
He's under my thumb

Under my thumb  
Is the guy who once had me down  
Under my thumb  
Is the man who once pushed me around  
It's down to me  
Yes it is  
The way he does just what he's told  
Down to me, the change has come  
He's under my thumb

It's down to me  
He's under my thumb
