Out of my mind  
But still I see you here  
Out of my time  
But still Iâ€™m waiting here

I know thereâ€™s no way  
But I know someday  
You will end up in this heart of mine

[Chorus]  
You will always be mine  
You will always be  
In my heart and in my mind  
I will wait forever  
And I will not say never  
Until the day that I can call you mine

For once in my life  
I have found what Iâ€™m looking for  
I know Iâ€™m right  
That itâ€™s you Iâ€™m asking for

Is there any way  
I can make you stay  
Another lifetimeâ€™s not enough for you

[Repeat Chorus]

[Repeat Chorus]

Can call you mine
