I cant believe it (repeated several times)  
Oh I cant believe it

Im missing you (repeated)  
Youre ever on my mind

Yesterday had you on my mind  
Thinkin bout all the happy times  
Looked at pictures of what we used to be  
How I wish I could turn back time  
To the days when you were mine  
Cant hold back what Im feeling inside of me

Chorus:

Id do anything to see your face cause Im missin you  
There is no one who can take your place, I am missin  
you  
I cant believe that you are gone but Im missin you  
I must live my life, I must move on still Im missin you

I tremble when I hear your name  
There aint nothin to ease the pain  
The thought of being without you I just cant face  
Oh, never thought I could feel like this  
Now I long for another kiss  
Id do anything just to feel your warm embrace

Chorus (repeated)

Id do anything just to feel your warm embrace  
The thought of being without you I just cant face

Chorus

Always in my heart  
Ever on my mind

Youre in my heart  
Ever in my mind

In my heart

Ever on my mind

Youre in my heart

Youre ever on my (repeated) mind

Chorus (repeated)
