I can be here all alone  
Rainy Christmas  
'Cause Your love broke my heart, my dreams

I can feel the lonley night  
Rainy Christmas  
All alone in the falling rain

How did we die with a lonely good bye  
Wever can my christmas be white  
Why did I cry, how can my heart survive  
I can never be the one that you loved before

I can see the lonley times  
Rainy Christmas  
There's no place for a long embrace

I can be a lonely star  
Rainy Christmas  
Shining bright in your memory

Loving forever more
