Scott Krippayne, Judie Lawson and Kim Hill

My spirit cries out to You  
Desperate to find a new way  
To praise You for all that You are

Give me a song that is new  
One that is breathing of You  
Born from the depths of Your heart

I know that You inhabit  
The praises of Your people

Come and inhabit  
The worship of our hearts

As we cry Holy, Mighty and  
Lovely are You  
Gracious in all of your ways  
Just and forgiving, unchanging and true  
Worthy of all of our praise

Worthy of honor  
Worthy of love  
Be lifted up O God  
Be lifted up O God
