Lord I worship You
With all that I am
With all that I have

Lord I worship You
With all of my strength
With everything

Let it be a sweet aroma to You
As I sing this song
with the breath You gave me

I cry out Your name

That's why I'm created
Why I'm created
I cry out Your name
As a sign to the ones who don't believe
I cry out Your name
And the rocks will be silent
The rocks will be silent
Cause I cry out Your name
Unashamed
