Patsy Moore

I was taking with a woman that I really respect

Yeah, she's got a few year on me

She said: Child, these eyes of mine were blind

Now these eyes can see

That's life

That's my life

I said: Ee-hee, Mama!

Let's talk about life

She said: Once upon a time I was so blue

I couldn't even sing

But now my life's a burnin' churnin' hunk of passionate
thing

That's life

Since Jesus saved my life

So I said: Ee-hee, Mama!

Yeah, tell me more about life

Tell me about life

Mama Mama

Let's talk about life

She said: I was sill enough to believe

That I could make it by myself

But now I know I can't do a thing

Without the Master's help

That's life

That's the secret of life, kid

And I said, Thank you, Mama

For tellin' me about life

And she said: No problem, dear

Now go out and live your life

Ee-hee Mama (Yeah!)

Let's talk about life

Amen
