SMILE ON YOU

Words and Music by Jamie Kenney and Tom Lane

I know what youre feeling now
Lonely, lost in a crowd
I see inside your heart
Where the tears fall and tear you apart
I love you more than your mind can imagine
Thats why I want you to know

That if you think of me when your heart is hurting
That if you think of me if loves been untrue
Think of me as your friend forever
Ill put a smile on you

One day your gonna find
Rain falls harder with time
Friends who are a part of your soul
Some will stay and some will go
Im gonna be there like sun in the morning
A star that shines through the night

So if you think of me when your heart is hurting
That if you think of me if loves been untrue
Think of me as your friend forever
Ill put a smile on you

I wont let the dark surround you
Youll be safe right here in my arms
Ill be holding on to you
Ill be holding on to you

Holding on

So if you think of me as your friend forever
Ill put my smile on you
