Wes King

Chorus

We're gonna reap what we've sown  
'Cause His light shines on our darkness  
But what really troubles me  
Is what the seed may be  
When it is grown  
Cover up your deeds  
Leave the scene so fast  
Hide beneath the weeds  
Like a snake in the grass

Slither so quietly  
No one will ever know  
But the tracks that you will leave  
Someday will surely show  
Chorus  
Cover up your seeds  
Pray the sun and rain will last  
Keep cutting back the weeds  
Watch for snakes in the grass  
Chorus
